REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board of the Antrim, N. H., School District:

The report of the Superintendent of Schools, for the school year 1927-1928 is hereby respectfully submitted:

A list of our teachers with their positions, salaries, amount of experience, education and form of certification is given below. C stands for certificate, which is the highest form of state approval, L stands for license, the next grade of approval, and P for permit, granted from from year to year, until a higher form of approval is obtained. All teachers, not holding certificates, are expected to study and prepare for examinations in various subjects, in order to obtain a certificate. Unless this is done within a reasonable time, they may lose their license or permit.

School	Teacher	Salary	Years Exp.	Education	State App
High	Elizabeth Alden	$1200	0	Colby, Bates	P
Grades 4-6	Charlotte Balch	900	34	Lowell Training	C
Grades 1-3	Bernice Buxton	850	12	Plymouth Normal	C
High. Prin.	Thos. C. Chaffee	2100	24	Brown University	C
Grades 7-8	Esther Colby	900	18	Plymouth Normal	C
No. Branch	Sarah Emerson	850	1 1-3	Keene Normal	L
High	Alice Hunnewell	1100	0	Keene Normal	C
East	Isabel Kidston	850	1	Keene Normal	L
Center	Olive Lynch	850	0	Keene Normal	L
Music	Annie Putnam	300	43	Voice Culture Sch.	L
Grades 1-2	Mattie Proctor	360	5	Chelsea Training	P
Drawing	Edith Messer	170	34	Lawrence Training	C
	Total	$10,430			

The last three on the list were part time teachers, which accounts for their apparently low salaries.

Data taken from the teachers' registers show that the total enrollment was 212, with an average membership of 187.5 and an average attendance of 180.2, divided as follows:—

School	Enrollment			Average Membership	Average Attendance	Days Absent	Attendance Percent	Tardiness
	Boys	Girls	Total					
East	7	3	10	8.2	7.7	83	94.2	7
North	8	10	18	15.9	15.3	95	96.6	29
Center	13	6	19	17.1	15.0	352	87.7	108
High	21	26	47	42.7	41.3	265	96.6	20
Grades 7, 8	17	15	32	27.7	27.0	128	97.4	9
Grades 4-6	24	16	40	34.8	33.7	187	96.9	2
Grades 1-3	24	22	46	41.1	40.2	157	97.8	2
Total	114	98	212	187.5	180.2	1267	96.1	177

A study of the above table reveals some interesting facts. There were 212 children in our schools, of whom 54% were boys. The difference between the total enrollment and the average membership is caused by 16 removals from town, four leaving at 16 years of age, and by a number of prolonged absences due to an epidemic of mumps. The average attendance is good except for the Center School, and 233 of the absences from that school were from one family. In other words almost one fifth of all the absences in the district were from that one family. The same school had the poorest record for punctuality, having 108 of the 177 cases in the whole town, and the same family were responsible for 56 cases of tardi-

ness, almost one third of the number in the whole town. The North Branch School improved greatly over its last year's attendance record. The village school record for tardiness indicates plainly that most cases of tardiness are unnecessary and could be prevented if there were a determination to prevent it. The number of cases increases with the grades, Miss Buxton's and Miss Balch's room having the best record, whereas unpreventable cases of tardiness should occur most often among the younger children.

The enrollment by grades was:—

Grades	Pupils	Grades	Pupils	Grades	Pupils
1	25	5	19	9	14
2	28	6	27	10	7
3	10	7	15	11	16
4	16	8	25	12	10

The Roll of Honor for perfect attendance contains 20 names compared with 22 last year:

Miss Buxton's room—Ione Cate, Fred Hardwick, Marion Huntington, Catherine McClure.

Miss Balch's room—Gertrude Clark, Henry Cutter, Thelma Harrington, Marian McClure, Albert Poor, Arthur Prescott.

Mrs. Colby's room—Sara Bartlett, Ruth Dunlap, Robert Hawkins, Cyril Hildreth, Stanley Tenney.

High School—Richard Johnson, Elsie Mulhall, Marion Nylander.

East School—Enid Cochrane, Hilda Cochrane.

There were recorded 121 visits by parents, 33 by members of the School Board and 254 by the Superintendent. The number of visits by the Superintendent generally increases as the problems in that school increase, but in comparing the number of visits, it should be remembered that there were two teachers in the lowest

grade room in the village and three teachers in the high school.

School	School Visits Parents	Board	Supt.
Grades 1-3	18	3	46
Grades 4-6	43	5	28
Grades 7-8	15	6	30
High	15	1	84
North Branch	5	5	23
East	20	6	19
Center	5	7	24
Total 1927-8	121	33	254
Total 1926-7	153	17	233

The School Board almost doubled its number of visits over the previous year, and the Superintendent increased his number of visits, but there was a falling off of 20% in the number of visits by parents.

It seems to have become an annual custom for the State Dep't of Education to offer examinations to all high schools in the state. This year they gave intelligence tests, and tests in History and English to seniors. Below are given in scores, not percents, in the various tests, and for three other schools. A. and B. had a lower intelligence score and C had the same intelligence score. Our pupils did much better in History and slightly poorer in English.

District	Intelligence Test	History	English
Antrim	98.5	46	66.7
A	94.8	22	71.7
B	96.0	22.5	76
C	98.5	34	70

The medical inspection was made with the usual care. The D. A. R. awarded their prizes in History, the winners being:

Eighth Grade

First Prize, Ruth Felker. Second Prize, Ruth Dunlap.

Seventh Grade

The first prize was divided between Frank Djingowski and Margaret Felker.

The State Department of the Sons of the American Revolution awarded a beautiful Bronze medal, to encourage good citizenship. It was awarded to the eighth grade pupil showing outstanding qualities which make up a good citizen. It was awarded to Arthur Holt.

In the local prize speaking contest, Warren Day received the first prize, and Richard Johnson the second prize for boys, while the first prize for girls went to Elsie Mulhall, and the second prize to Edith Sawyer. In the Interscholastic Contest, sponsored by New Hampshire University and open to any New Hampshire High School pupil, Miss Esther Perkins brought honor to Antrim by winning the second prize.

REPORTS OF THE HEALTH OFFICER AND THE STATE BOARD OF HEALTH, DIVISION OF MATERNITY, INFANCY AND CHILD HYGIENE

We have been fortunate the past year in not having serious sickness within our midst, and but four cases of Whooping Cough, nine cases of Mumps, and two cases of Measles have been reported.

A. M. SWETT,
Health Officer

The following is a report of the work of the State Board of Health, Division of Maternity, Infancy and Child Hygiene, during the past year:

A Child Health Conference was held in May with fifty-two children being examined. Thirty-five of these children were found with defects. Many corrections have been made and children placed under treatment since the last Conference.

Home visits were made on prenatal mothers, infants and pre-school children during the year by the State Nurse, Mary G. Hurley, in charge of the work in Hillsboro County.

Splendid cooperation was received from all the townspeople.

Truly yours,

MARY G. HURLEY
